ADVANCED CERTIFICATE IN INTERNATIONAL TRADE

EXPORT - IMPORT MANAGEMENT

Recognized by **IMC Chamber of Commerce and Industry**

Export Import Trade is marketing on a global level. Post liberalization, India is adjudged to be amongst the potential markets for global trade. This has initiated the government to make necessary policies which has opened new doors for international trade. Global trade has necessitated national markets to follow international trends. Also with amendments in the budget annually, there are changes in the export import policies making it essential for potential global marketers to stay abreast with the latest.

IMC is a premier Chamber of Trade, Commerce and Industry in India. Set up in 1907, in the wake of the 'Swadeshi Movement' to represent Indian businesses. The IMC Chamber of Commerce and Industry, popularly known as The IMC, is a legendary organization which has relentlessly pursued the agenda of identifying opportunities, addressing critical issues and driving Indian businesses with the single minded focus of sustainable growth.

IITC, being an all India management institute, has the distinction of being an international Export Trade Promoter over the past five decades.

- Annual revision of course conforming to the present EXIM policy.

- Consultation with top professionals from the industry in construction of the curriculum.

- **IITC**'s well informed & experienced faculty keep students abreast with the latest in the industry.

- **IITC** conducts Training Programs, Seminars & Workshops which cover the latest developments in the field of India's Exports and Imports.
